

BALANCED

We recognize our interdependence with other people and with the world in which we live.

We nurture our curiosity, developing skills for inquiry and research.

INQUIRERS

THINKERS

We use critical and creative thinking skills to analyse and take action to solve problems.

PRINCIPLED

We take responsibility for our actions and their consequences.

We express ourselves confidently and creatively in more than one language and in many ways.

COMMUNICATORS

We develop
and use
conceptual
understanding,
exploring
knowledge
across a range
of disciplines.

KNOWLEDGEABLE

We are resourceful and resilient in the face of challenges and change.

RISK-TAKERS

CARING

We show empathy, compassion and respect to make a positive difference in the world around us.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others.

We thoughtfully consider the world and our own ideas and experience.
